

HEALTHCARE & PHARMA

SAFETY CUTTING SOLUTIONS

Consider your safety requirements, cutting application, and environment when selecting a safety cutter.

At PHC & Klever, providing superior quality, high-performance safety cutting solutions to improve workplace safety and prevent costly merchandise damage is at the core of everything we do.

We have hand-selected our most popular safety cutters for use in your healthcare and pharmaceutical operations.

CONCEALED BLADE

Recessed blade offers maximum user protection and reduces the risk of damaging goods.

The Original Klever Cutter™

A compact safety cutter featuring a stainless steel blade and our proprietary plastic formula for enhanced durability!

NSF Disposable Film Cutter

Proudly manufacturing in the U.S.A. since 1950

REUSABLE-HANDLE, CONCEALED BLADE

Combines optimum safety with versatility. Mix-and-match replacement heads based on the cutting application.

Kleen® XChange™

Antimicrobial material inhibits the growth of bacteria on the product.

GUARDED BLADE

Advanced safety technologies and multi-use features paired with robust designs provide long-lasting, versatile safety cutters for rigorous environments.
